Hubbard Middle School

661 West 8th Street, Plainfield, NJ 07060
www.plainfieldnjk12.org

HUBBARD'S VISION STATEMENT

Hubbard Middle School empowers scholars to become culturally responsible, critical thinkers and change agents within the global community by being self-motivated, self-sufficient, and productive citizens.

HUBBARD'S MISSION STATEMENT

Hubbard Middle School provides scholars with a safe and well maintained environment where they learn collectively, work collaboratively, and are provided with 21st century academic and career readiness skills. Administrators are positive and supportive, parental and community involvement is encouraged, and staff works cohesively to provide a quality education. In addition, compassion and respect are modeled as scholars thrive in a culturally rich environment.

Faculty & Staff

Mr. Asante
Principal

Insanity is doing the same thing, over and over again, but expecting different results."
- Albert Einstein

Young scholars of Hubbard Middle School…as you make your way through this maze called life, remember to march to the beat of your own drum. Avoid following in the footsteps of those who embrace negativity and blaze your own trail. Believe in the potential of your greatness even when those around you doubt and question why you dream big. Remember that success comes with hard work and how far you go/get depends on the work you've put into your desired goals. Enjoy the days of your youth and remember the moments (good and bad) you experienced at 'The Hub'. Those experiences build character and help shape who may potentially become. Remember your days here at 'The Hub' with fondness. These days that you are leaving behind are your building blocks for the days, the challenges and the wonderful opportunities that await you. Hubbard Middle School will not be the same without your beautiful faces and smiles littering its halls. You will be missed :)

I would like to take the time to congratulate the 8th grade. You are about to embark on new endeavors, make new discoveries, create new memories and fulfill new goals. As this is done, you are reminded to be adaptive to changes, become knowledgeable of new discoveries before you begin to explore, sustain lasting relationships and conquer adversity. Much success to you in high school and throughout the educational process." You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose." Dr. Seuss
